is a list of the applicants and the grade
of certificate received:

ley.
The good citizens of Harrison and
Cleveland townships are organizing a law
and order committee with the avowed
object of assisting the officers in making
arrests and enforcing the law in that
locality. The peculiar character of
the country makes it almost impossible
for an officer to make an arrest in that
locality without the active support of an
organized body of men. The Cimarron
river running from west to east across
those two townships near the north line
of the county, is intersected at short in-
tervals by deep canons, and the high
ridges between these canons called
mesas are inaccessible for a man on
horse back and afford an excellent hid-
ing place for the law breaker.

Sheriff Healy and seven deputies ar-
rived here Sunday afternoon and safely
landed in jail John Brite, two of his
sons, Will Rowans and Smith, parties
living in the west end who were arrested
on the charge of horse stealing. Great
excitement prevailed at the time of the
capture of these men and as stated last
week it was not without a fierce battle
in which two of the deputies received
slight wounds, that they were captured.
Bill Hill could not possibly have escaped
had it not been that a horse belonging to
one of the officers became frightened at
the report of the guns and ran to Hill
who mounted it and rode rapidly away
and is thought to have come in this
direction as it is reported he ate dinner
in the vicinity of Hardesty the first of
last week and is supposed to have stolen
a horse of J. L. Eaback on the night of
the 21st. Rowans and Brite gave bond
in the sum of \$1000 each for their ap-
pearance on Sept. 23rd at which time
they will have a preliminary hearing.

Nye Notes.
Haying is in full swing here and the crop
is fine.
Saturday was a decidedly damp day but
the weather has been cool and nice since.
Melons are no longer a luxury, they are
so plentiful that everybody can eat melons.
There has been some sickness among the
children on the river, but none serious.
Mrs. Dick's infant and little Ora Murphy
were the worst but they are recovering.
Mr. Anshutz is to move to Meade to-day
so that his wife, who has been in poor health
for some time, may be nearer a physician.
Mr. and Mrs. Bruce were down from
Meade a week to help put up their hay;
they expect to move back in the spring as
he has disposed of his interest in the store.
The dance given in honor of the de-
parture of Mrs. May Murphy to her home
in Chicago, was a success in every respect,
twenty-two couples being present, and it
was a beautiful night. Several couples from
Meade were in attendance.
Mrs. Wiley Rhodes is expected home in
the near future.
Everybody is so busy in the hay that
no one has time to make news.

GREAT ROCK ISLAND ROUTE
TO THE EAST.
BEST DINING CAR SERVICE IN THE WORLD.
The Rock Island is foremost in adopt-
ing any advantage calculated to im-
prove speed and give that luxury, safety
and comfort that popular patronage de-
mands. Its equipment is thoroughly
complete with vestibuled trains, mag-
nificent dining cars, sleepers and chair
coaches, all the most elegant, and of
recently improved patterns.
Faithful and capable management
and polite, honest service from em-
ployees are important items. They are
a double duty—to the Company and to
travelers—and it is sometimes a task
difficult of accomplishment. Passen-
gers on this line will find little cause
for complaint on that ground.

REMEMBER
The Great Rock Island Route runs all
regular trains to Englewood suburban
station, close to World's Fair grounds,
and you can save time and trouble by
getting off at that point and avoid the
crowd in the city.
